Dear Parents,

Thank you for your interest in our program. We hope you will find it to be just the one for your child. Our desire is to provide a safe and happy place for your child and your family, where all can learn of God's love for us.

A compilation of Bible- and center-based curriculum is the central building block of our learning program. Children move between learning centers which may include home living, reading, arts and crafts, blocks, nature, puzzles, etc. Each month we focus on a central theme, using a Biblical principle and/or story and a memory verse. We also study a particular number, letter, color, and shape. The extent to which the concepts are taught depends on the age of the children. Spanish is introduced to the Pre-K classes. Music is taught on Mondays, and the children attend chapel on Wednesday. The children enjoy the playground daily as weather permits. Our teaching staff is dedicated to providing a positive learning experience and meeting the needs of your child—mentally, emotionally, socially, physically, and spiritually.

Please complete the enclosed forms and return for enrollment. Be sure to check the back side of the forms. We also ask that you provide a copy of your child's immunization records.

If you have any questions concerning the program, please feel free to drop by the office or to phone me at 849-6163 (cell). You can also email me through our website at www.10000aks-sa.com or Kathymdo@aol.com
